

NOTICE OF MEETING TO VOTE ON TAX RATE

A tax rate of \$0.550786 per \$100 valuation has been proposed by the governing body of Jones County.

PROPOSED TAX RATE	\$0.550786 per \$100
NO-NEW REVENUE TAX RATE	\$0.539785 per \$100
VOTER-APPROVAL TAX RATE	\$0.601883 per \$100
DE MINIMIS RATE	\$0.5843121 per \$100

The no-new-revenue tax rate is the tax rate for the 2022 tax year that will raise the same amount of property tax revenue for Jones County from the same properties in both the 2021 tax year and the 2022 tax year.

The voter-approval tax rate is the highest tax rate that Jones County may adopt without holding an election to seek voter approval of the rate, unless the de minimis rate for Jones County exceeds the voter-approval tax rate for Jones County

The de minimis rate is the rate equal to the sum of the no-new-revenue maintenance and operations rate for Jones County, the rate that will raise \$500,000, and the current debt rate for Jones County

The proposed tax rate is greater than the no-new-revenue tax rate. This means that Jones County is proposing to increase property taxes for the 2022 tax year.

A public meeting to vote on the proposed tax rate will be held on Friday, September 2, 2022 at 9:00 am at the Jones County Activity Center 1102 West Court Plaza, Anson, Texas.

The proposed tax rate is not greater than the voter-approval tax rate. As a result, Jones County is not required to hold an election at which voters may accept or reject the proposed tax rate. However, you may express your support for or opposition to the proposed tax rate by contacting the members of the County Commissioners of Jones County at their offices or by attending the public meeting mentioned above.

YOUR TAXES OWED UNDER ANY OF THE ABOVE RATES CAN BE CALCULATED AS FOLLOWS:

$$\text{property tax amount} = (\text{tax rate}) \times (\text{taxable value of your property}) / 100$$
